Dear Parents/Guardian,

ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school. This is especially important as young children may not have the skills required to use roads properly and do not always fully appreciate the dangers presented. Their small physique also makes them less visible to motorists.

This letter reiterates the road safety policies of the school:

- a. Reduce vehicle speed and stay alert for pedestrians in the school zone.
- b. Cooperate with traffic marshals to ensure overall safety and smooth traffic flow.
- c. Let your child alight only at the designated drop-off point. (Please see overleaf)
- d. Be advised not to violate traffic rules by driving recklessly or making illegal maneuvers such as turning into the school from the outer lane(s) of the road.
- e. Do not horn indiscriminately.
- f. Help your child alight from the car as quickly as possible.
- g. Reinforce correct road safety behaviour such as using the pedestrian crossing, and avoiding jaywalking or using a handphone while crossing.
- h. Remind your children to practise the kerb drill before crossing - "look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly".
- i. If your child must cycle to school, ensure that he knows safe cycling rules and is a competent cyclist.

For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules.

We thank all parents and guardians who have been the role models for our children.

Parents/Guardians, please note :

For the safety of the children, school gates will be opened for cars to drop the children off at the foyer **on rainy days only**. Please follow the signs and instructions to facilitate smooth flow of traffic.

On **non-rainy days**, kindly allow your children to alight at the safe alighting points indicated by the star symbols ★ on the map below. Please make use of the service roads that is opposite and beside the school for alighting and ensure that your children make use of the pedestrian crossings.

Please do not park illegally by the side of the road as you will obstruct the smooth flow of traffic which may result in unwanted accidents. During dismissal, kindly park your vehicles at the nearest Multi-storey Car Parks at Blocks 133A or 124D. **Please role-model responsible road crossing habits to your children/wards by not jaywalking across Rivervale Street and use the Traffic Light Crossing instead.**

Please note safe alighting points indicated with a star ★

1. On service road next to MSCP Blk 133A so that your child can cross safely at traffic light crossing opposite the school and enter through Gate B.
2. On Rivervale Street **AFTER** traffic light and enter through Gate B.
3. On service road next to MSCP Blk 124D so that your child can walk safely on pavement towards the school gates B or F.
